

Ms. Dele,

Thank you for coordinating a wonderful Made Man event at the Embassy of Ghana on December 6, 2018. As always, your Made Man events, are impressive and inspiring and the selection of Made Men honorees continues to support the level of distinguished men that are proud to have the moniker "Made Man".

As Region IV Vice President for the Morehouse College National Alumni Association (MCNAA), and a 2017 Made Man Alumni, I am proud to coordinate the MCNAA sponsorship with The Made Man. The Made Man has honored many Morehouse Alumni in numerous cities across the US and every Morehouse Alumni that has been honored by your organization speaks extremely highly of the evening they became a "Made Man".

As I stated in my speech at the Embassy of Ghana, The Made Man is a "global movement" and MCNAA is proud to be a sponsor in your global movement. But MCNAA sponsorship is not just for the Made Man events, should you need any support for other Made Man initiatives, please do not hesitate to contact me, or any other Morehouse/Made Man Alumni. As you know, when Morehouse Men are called, we serve and lead to rise to the occasion.

I look forward to our continued sponsorship and friendship.

Thank you for all you do for our community.

Sincerely,

Eric L. Guthrie, Esq.
