**Re: Men Dress Clothing**

I would like to extend my most sincere gratitude to your organization for the donation of over 90(ninty) men suits, shirts and ties that will become a huge part of our clothing closet for the male participants in our program. The men can now feel good about themselves as they Re-enter the job market with confidence!! We at Integrity Transformations are extremely thankful for your kind hearted gesture as we continue to assist those in need of training and job placement.

Sincerely,
