Brian and Ky,

Just wanted to provide you both with an update on the **Made Man** Initiative I took part in. The day of the event the South Metro Chapter received 90 Suits, 79 Dress Shirts, 24 Pair of Pants, 2 Tuxedos, 2 Tuxedo Jackets, 22 Sports Jackets, 106 Ties, 2 Sweaters and 1 Vest.

As a result of this collection, we were able to provide *Integrity Transformations Community Development (a 501 c3) Corporation* with this donation. This program assists Men and Women with opportunities they might not otherwise have; In some cases, a second chance at life. Through its three-week long program, it gives needed pre-employment skills and empowers its graduates to achieve stable employment.

The clothing we provided them will help the graduates as they go for interviews with prospective employers. The following is a video of the program:

I would also like to add my personal thanks to the initiative for spending the day at two of our schools North Clayton High School and Fulton Leadership Academy. Each of these schools have expressed their gratitude for having us to come and speak at their schools.

Lastly, I'm honored to have taken part in this initiative and I want to express my sincere appreciation to you both for the opportunity.

Best Wishes,

Kevin Bean
President
