Re: The Made Man – Charlotte

Dear Dr. Dele:

I wanted to extend a very warm thank you for honoring me at your Made Man Charlotte event. When I was notified of the nomination, I really didn't know what to think about being a Made Man Honoree. And to know that I would be recognized along with 27 more distinguished gentleman of Charlotte was most humbling.

After engaging with your team and visiting the two different schools speaking with the youth, I became very much aware of what this honor means. I have been engaged with the 100 Black Men of Greater Charlotte for the past 14 years. And have given much to the youth within the Charlotte community and all communities to which I frequent, and much more is needed. My experience with the Made Man reminding me of how much more is needed to make a lasting impact on our youth.

Thank you for bringing awareness to the real men giving real time to the youth in our community. It is truly an honor to be recognized as a Made Man Honoree.

Very Truly Yours,

Steven B. Myers
