RE: The Made Man Honors NYC-
Fundraiser and Red Carpet Reception
Dated, June 18th, 2019

Dear members of Made Man Honors NYC,

I would like to thank you for your efforts in honoring me and so many other talented men in the New York City area. I sincerely appreciate the time spent in organizing a full day of giving back and networking. This is truly how our community grows and this is why the Made Man Foundation is necessary, if we are in fact, committed in pushing the culture forward.

Again, thank you for your acknowledgement and for providing a platform that allowed alliances to form. I will continue to support the Foundation any way I can.

Sincerely,

Charlie A. Vargas, Esq.
