Assistant Principal

Ms. Dele,

On behalf of the Murrell Dobbins CTE Community, I want to thank you for bringing the Made Man mentoring and networking event to Dobbins. The impact for the students and staff was profound. It is our hope that this relationship will continue into the Future.

Throughout the day the students and teachers shared how having the opportunity to have meaningful discussions with distinguished professionals who look like them, was so encouraging. This event provided our students an opportunity that will last a lifetime.

Sincerely,  

Dr. Toni Damon
